## Series 200A Write-on Serialized Markers (100/Pack)

Series 200A write-on serialized markers provide a unique serial number, a 7/8" x 3/8" write-on area, and a choice of ten colours. Illegal connections can be spotted by the absence of one of these tags, and the accuracy of disconnect procedures can be monitored by a simple logging system. Available in 100/Pack
