

# DM1000

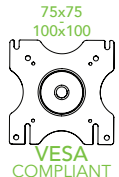

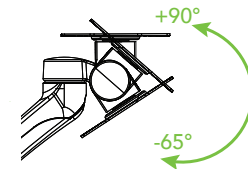

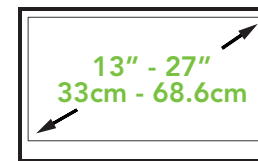

## Ergonomics made easy.

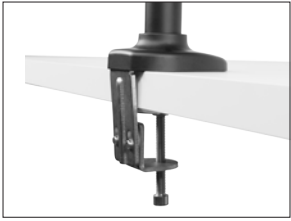

The DM1000 is a VESA compatible desktop monitor mount designed for screens measuring up to 27 inches. Its convenient clamp mechanism gives you the freedom to install it on any surface with a ledge or grommet hole up to three inches thick, and features integrated cable management for a clean and professional appearance. With 17 inches of reach, the DM1000's articulating arm allows you to easily tilt, pan and swivel your monitor into the most optimal viewing position, and can be easily elevated to ensure proper line-of-sight.

## FEATURES & SPECIFICATIONS

- Product weight: 5.6 lb (2.5 kg)
- UPC: 800152715667

### EASY INSTALLATION

The DM1000 features an easy-to-use clamp mechanism that allows it to be installed on any desk or table up to three inches thick. For a more discreet look, install the DM1000 within a grommet hole.

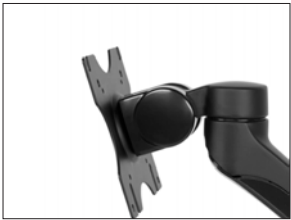

### FULL RANGE OF MOTION

Unlike a typical, stationary stand, the DM1000 allows you to position your monitor exactly where you want it in order to reduce strain on your back and neck.

### ADJUSTABLE HEIGHT

Easily adjust the height of the articulating arm to place the center of your monitor anywhere between 12" and 30" from your desk, depending on screen size.

### 155 DEGREES OF TILT

Tilt your monitor up to 65° forwards or 90° backwards in order to reduce glare and maintain proper line-of-sight.

### CABLE MANAGEMENT

Along with detachable plastic covers, the DM1000 allows you to route your cables through its support arm to keep your work area clutter-free.

### EVERYTHING YOU NEED

The DM1000 comes with everything you need for a quick and simple installation. Phone support and an online installation video are also available to help you along the way.
