

SLIM-H20

Weather proof soundbar

SLIM-H20

A U D I O

The SLIM-H20 brings to you the same great sound and slim flat-mount design, as other TruAudio SLIM line soundbars, in an industry first weatherproof package. The sleek aluminum body, galvanized steel grill, and stainless steel hardware is UV resistant, weather resistant, and has been tested to stand up to the harshest of environments. Six active poly injected drivers paired with aluminum tweeters bring live, crystal-clear, full sound to any outdoor TV install. Perfect for patios, cabanas, decks, or other outdoor listening environments.
